Services and Funding Allocation

Below are examples of services we can provide through the Arts Access Fund:

- 1. Materials and Supplies Assistance:**
 - Reimbursement for costs related to creating or presenting artwork, including framing, printing, materials for installation, or supplies for performances or readings.
- 2. Transportation Assistance:**
 - Funding to cover transportation costs (e.g., gas, public transit, or ride-share services) to and from the event. Funding can also cover the transportation of artwork.
- 3. Child or Elder care Assistance:**
 - Reimbursement for care costs incurred during participation.
- 4. Access to Technology/Equipment Rentals:**
 - Assistance with the rental of equipment necessary for events, or materials for music, video, or performance art.
- 5. Honorarium Support for Emerging Artists:**
 - One-time funding specifically for emerging* artists who need support for project materials
- 6. Translation/Language Services**
 - Support for artists who may need help translating to participate in programming.
- 7. Sustainability and Eco-Friendly Materials Support**
 - One-time funding to assist artists who are interested in creating environmentally sustainable art by providing funding for eco-friendly material (i.e. non-toxic paints, recycled materials)
- 8. Individual or Organization Support to Attend Programming at Heights Arts**
 - Assistance to cover the cost of a ticketed event or transportation to and from the event space

*An emerging artist is someone who demonstrates experience in the field, and a commitment to developing their practice, but does not have the support and resources of an established artist.
